1. Approval of Minutes. Minutes for March 4th were approved.
2. CAD Updates.
 - a. Cabinet Updates.
 - i. COVID guidelines – Changes to CDC guidelines are moving towards making a “normal” fall semester.
 - ii. Compliance Office – Dr. Maynard is overseeing the hiring of staff to complete the Compliance office.
 - iii. Senior Associate Dean The President will ask deans to start accompanying her on donor visits. Anticipating that, at times, the dean may be off campus for prolonged periods of time, a formal position name will be requested for the associate dean who will assume signature authority during these time periods. The name may be “Senior Associate Dean”.
 - b. Vice Provost Report.
 - i. COVID Group – The vaccine will be available to all adults in Texas as of March 29th. The deans have been asked to encourage their faculty and staff to get the vaccine.

 - iii. Textbook Deadline – The deadline for submitting textbooks for the fall is April 1st. By law, if a course has student enrollment it must have a book assigned. Julie Schwab has been asked to work with the bookstore to develop a plan for handling courses scheduled with zero enrollment (ghost sections).
 - c. Requisition of Course Instructional Materials Policy Review – The Leadership reviewed the policy. All custom course packets must now be made by the SHSU print shop. The Policy will take effect in spring 2022.
 - d. Budget Retreat – This meeting will be streamed live. The Dean will have a strict fifteen minute time limit to make his presentation and tell COBA’s story.
3. Open Lines. Accounting and General Business & Finance have both filled an open line for fall 2021. The Dean encouraged all the Chairs to fill any open lines they have in their departments. This will reduce the number of overloads for the college.
4. Final Exam Schedule (Jesswein). The Chairs will reach out to faculty in their department to find out if they intend to have a face to face final and look for conflicts. This will be revisited if necessary, to work out changes that are needed.
5. Summer Scholarships. The college will award \$52,000 in summer scholarships. The criteria for selecting recipients will be any currently enrolled graduate or undergraduate students in good standing (undergraduates must have a 2.5 or greater GPA) based on academic merit as well as a consideration of financial need (students will be asked to include an essay describing their need). The COBA scholarship committee will select all recipients.

6. AACSB. The Leadership Team will establish a plan to address areas noted in the report. Dr. Jesswein is putting together a summary regarding the AoL process and the team will revisit this with ideas at a future meeting.
