those symptoms in themselves and how to seek appropriate care. SHSU-SOM programs must:
Encourage resident and faculty members to alert the program director, chief residents,
attending or faculty member when they are concerned that another resident, fellow, or

San Houston Regional Education Consortium (SHERC)

- Each program, in partnership with its sponsoring institution must ensure adequate sleep facilities and safe transportation options for residents who may be too fatigued to safely return home. The GME Office offers a fatigue mitigation transportation option to help ensure residents arrive home safely when fatigued after work.
 - Reimbursement is available to any resident that elects to use a transportation service (app-based or taxi) to arrive home instead of driving their own vehicle while fatigued, as
