# SHSU CHARTER SCHOOL STAFF

## **Administration Staff**

Superintendent: Dr. Ronny Knox

Greengate Academy (Spring/Klein), 101-12

Kindergarten: **Tammy Sanders\***

1st Grade: Carolyn Thompson

2nd Grade: Sarah Kissel

3<sup>rd</sup> Grade: Katie Statlander

4<sup>th</sup> Grade: Emily Batelaan

5<sup>th</sup> Grade: Jayci Ray

Paraprofessionals: Gesselle Alvarado, Connie Stephens-Eaton, Dezora Paul

Cypress Trails Preschool and Childcare Center (Spring), 101-13

Kindergarten: Dawn Hill

1st Grade: **Crystal Pflughaupt\***

2nd Grade: Mallori Franck

3<sup>rd</sup> Grade: Kathleen Francis

4<sup>th</sup> Grade: Temeka Peters

5<sup>th</sup> Grade: Nacol Hicks

Paraprofessionals: Allyson Cobb, Melissa Moon, Charrie Sanders

Spring Woods UMC and Childcare Center (Spring), 101-14

Kindergarten: **Kendra O'Neal\***

1st Grade: Ely Vasquez

2nd Grade: TBD

Paraprofessionals: Jazzmin Coffey

All campuses:

District Testing/ ESL Coordinator  
PE/Special Education Support:  
Educational Technology Specialist  
Remote Conferencing Interventionist

Jill Martin  
**Ryan Jordan\***  
Karla O'Keeffe  
Robin Miller

**the lead teacher will call the Principal.** Emails regarding daily operations, student issues, parent concerns, curriculum, campus concerns, and grading should be directed to the Principal.

We are setting the example and creating an image for ourselves. Always be professional. The best way for us to recruit new students and families is to consistently be our best in every situation. Remember that email never goes away. Be careful what you say in haste or frustration, and always maintain strict confidentiality of your students.

You are expected to share weekly correspondence with your families (either via SeeSaw, email, or print materials) updating them with the latest classroom happenings, objectives that will be taught during the upcoming week, and how the parent can help the child at home. **This is a non-negotiable.** The Principal checks class SeeSaw accounts for activity and communication bi-weekly.

District Newsletters are created each month and will be shared through SeeSaw, district social media, and print. Teachers must ensure newsletters are sent home the week they are distributed by the Principal.

All staff should have Dr. Knox and Mrs. Hernandez's

**Instruction is only allowed by TEA for 20 instructional calendar days for each student.**

**If a student tests positive for COVID or has close contact with someone that tested positive, the following procedures should occur within 24 hours:**

- 1.) Parent notifies classroom teacher and Central Office if child has tested positive or is in close contact with a positive case (must present positive test result to teacher and Central Office)
  - If test results are unavailable, OR if you waiting for pending results, students may still choose to quarantine and receive remote instruction until parents receive test results (as long as it doesn't exceed 20 days).
- 2.) Teachers email Dr. Knox, Mrs. Hernandez, Ms. Carruthers, Ms. Miller, and campus lead teachers with last date student was on campus, what symptoms he/she exhibited, and dates for quarantine.
- 3.) Parents confirm with teacher what dates the student will participate in remote conferencing.

\*\*\*Students that choose to self-quarantine that participate in remote instruction are counted present. Students that self-quarantine that **DO NOT** participate in remote instruction will be marked **absent**.
- 4.) Teachers ensure students have all student login information for digital learning (Example: iReady, Lexia, IXL, etc.)
- 5.) Student attends Remote Conferencing with Ms. Robin Miller every day from 8:15am-9:15, AND 10:00am-11:00. (Students in 6<sup>th</sup> grade will have additional times to meet in the afternoon as well.) Access her Zoom Meeting using this information:  
<https://shsu.zoom.us/j/8622770063>  
**Meeting ID:** 862 277 0063  
**Passcode:** shsuonline
- 6.) Classroom teachers may have additional assignments and directions that they may require students to complete during Remote Instruction.

### **Student Restraint Procedures**

All SHSU Charter School staff must complete Crisis Prevention and Intervention (CPI) Training annually. If a staff

## **Parent Conferences**

**A minimum of one face-to-face conference with each parent per semester is required.** Notes of the conferences should be kept and stored in the classroom. If you are requesting that an administrator sit in on the conference with you, please give at least three days' notice in order for the Superintendent and/or Principal to make arrangements to attend. The lead teacher at each site can also sit in on parent conferences if needed. Due to current COVID-19 concerns, you are allowed to have parent conferences in person or through zoom.

## **Homework**

Reading nightly is expected. Do not send home worksheets and busy work. Homework expectations should be established at each site and approved by the Principal before being sent home to parents/families. STAAR grade levels should provide homework that expose students to the testing format. A homework grade is included on the report card.

## **Textbooks**

Textbooks and instructional materials are very expensive. It is the classroom teacher's responsibility to secure the textbooks in their classroom. If at any time you have concerns regarding materials being used or disturbed after Charter School hours, notify the Superintendent and Principal immediately.

## **Supplies**

A supply list for the amount of \$200 should be submitted to the Central Office Administrative Assistant at the beginning of the school year. If additional supplies are needed, see your lead teacher for guidance. Teachers may request additional supplies from students by sending a letter, See Saw message, or email to parents/guardians. When a student withdraws, any remaining personal supplies should be sent with the student.

If furniture requests are necessary, send the request to your lead teacher and the request will be routed to the Superintendent and Principal. Please keep social distancing guidelines in mind when considering adding furniture to your classroom.

## **Building, Site, and Classroom Needs**

If you have a "work order" need for your classroom or site, submit the necessary information to the lead teacher and the request will be routed to the Superintendent and Principal.

## **Field Trips**

The expectation is to coordinate at least one field trip for the school year. Field trips should not impede STAAR testing for grades 3-6. Date, time and location needs to be approved by the Principal.

## **Birthdays**

Student birthdays may be celebrated at the end of the instructional day. This **MUST** take place **AFTER** the scheduled lunch time. Individually wrapped treats may be shared. You may allow store bought cupcakes as long as they are in the original, sealed packaging from the grocery store. **This is not a party with snacks, a meal, or games.** You will need to make this very clear at your parent information nights.

# **TECHNOLOGY**

## **Teacher Laptops**

The laptops issued to teachers by SHSU are for work purposes only. However, it should be with you after school hours. Do not leave it in the classroom overnight or on the weekends as the classroom could potentially be occupied by the before- and after-school childcare programs. Do not leave your laptop in a hot vehicle.

## **View Sonics**

This item will be on rollers. Make sure it is moved out of the way and turned towards the wall at the end of the day to discourage the before- and after-school programs from using it if your room is used after school.

## **iPads and Chrome book and Carts**

## **SKYWARD STUDENT DATABASE**

### **Grading, Attendance, Absences, Tardies, Withdrawals, Cumulative Folders**

All student folders, including, but not limited to, cumulative, special education, and 504, will be housed in the Charter School offices in Huntsville.

Instruction guides for attendance, gradebook, etcetera, will be given to teachers to keep in the classroom.

Any questions regarding Skyward or student records should be directed to Rebecca.

## **HEALTH AND SECURITY**

### **Medication**

All medication will be administered and recorded by the classroom teacher at each site. Medication will be kept in a locked storage cabinet. There is also a designated area in the refrigerator for medication that must be kept cold. Under no circumstances will medication be given without a doctor's note. Children should never carry medication in their backpacks or lunch kits. Medication should always be checked-in by the classroom teacher from the parent. Students should not bring medication in themselves and hand it to the teacher.

### **Child Protective Services (CPS) and Counseling**

If you suspect abuse, it is your legal responsibility to report it. It is not your responsibility to investigate. You are not required to notify administrators, but it is helpful if we are aware of the situation, especially if we receive parent phone calls. Anytime a CPS worker comes in to visit with a child, you must allow that visit. It is not your responsibility to notify the parent of the CPS visit.

In the event you have a student that you think needs counseling services, contact your lead teacher and she will speak with the Superintendent and Principal.

If a CPS caseworker shows up to interview a student, we must provide a private place for that to occur. The lead teacher needs to make a copy of the CPS worker's ID and driver's license. Have the caseworker sign in with time and date. The Principal needs to be notified immediately of any CPS visits.

## **Campus Security, Release of Students, and Custody Issues**

It is your responsibility to know your student's emergency information. It will be available to you through Skyward, and you will also have a hard copy. Lead teachers will coordinate a local Emergency Contact binder for all students enrolled at each campus. It is imperative that you are aware of custody issues and who is and is not allowed to pick up a student. If you have questions or concerns, **ALWAYS CALL** Dr. Knox, Mrs. Hernandez, or Mrs. Carruthers. It is crucial that you are confident in knowing who is picking up each student. Simply let the parent or visitor know that you are protecting the safety of the student and to please be patient while you verify the student's account information. Pay special attention to holidays, as custody typically alternates between parents during these times.

If you have a situation where a student is being picked up late on a regular basis, please notify the Principal.

## **Fire and Weather Alerts (Active Threat Drills)**

Lead teachers should work with the childcare director/owner to establish a fire route exit and an alternate exit. Fire drills should be conducted once a month and recorded on the official Fire Marshal record sheet. It is best to coordinate the drills with the site. Students should be prepared and know the procedures to follow when tornado or weather alerts occur. The students should be away from windows and secure from flying objects.

## **COVID Guidelines**

**STUDENTS:** Students that come in close contact with confirmed-positive COVID-19 cases are strongly encouraged to obtain a lab-confirmed PCR test, but Charter School staff will also accept a reliable Home Test positive result. Parents will be required to submit documentation of positive test status for confirmed and close-contact cases.

### **If Students Test Positive for COVID-19:**

Report your positive case to the school by contacting

- 1.) your child's teacher and,
- 2.) the school office at 936-294-3347 or emailing [rcc036@shsu.edu](mailto:rcc036@shsu.edu)
- 3.) request Zoom conferencing information for Remote Interventionist if applicable

Choose a return to campus option regardless of vaccine status:

**Option 1 – Standard Return:** Students may return to school after all of the below are met:

- at least 10 days have passed since the onset of symptoms or asymptomatic test date,
- at least 24 hours fever free has passed without the use of fever-reducing medications, and
- symptoms are improving.

**Option 2 – Early Return:** Stay home for 5 days after the date your symptoms began or the date of your test if asymptomatic.

- no symptoms or your symptoms are resolving after 5 days, and
- student has been fever free for at least the last 24 hours without the use of fever-reducing medications

If you have a close contact (in your household) positive for COVID-19:

Report the positive household case to classroom teachers and the school office.

Choose a return to campus option:

**Option 1 – Standard Return:** You may return to school/ work after at least 10 days have passed since exposure.

**Option 2 – Early Return:** Stay home for 5 days following exposure, return on Day 6

## REFERENCE GUIDE

Please use the following list as a reference guide when seeking the right person for help:

### **Dr. Ronny Knox, Superintendent**

- Special Education Referrals and ARD scheduling
- 504 referrals and meetings
- Building and Classroom Needs
- Human Resources
- Designated Asbestos Manager
- Emergency Management Coordinator

### **Alicia Hernandez, Principal**

- First Contact
- Discipline/Code-of-Conduct
- Absences/Substitutes
- Professional Development
- Master Schedule
- PLC and Staff Meetings
- Staff Handbook
- Curriculum and Instruction
- Lesson Plans
- TEKS Resource

### **Rebecca Carruthers-Charter School Office**

- PEIMS Coding
- Attendance/Withdrawals
- Gradebook and Report Cards
- Skyward
- Student Records
- Enrollment

### **Lisa Box-Charter School Office**

- Purchasing and Ordering
- Travel
- Student rosters and wait lists

**Jill Martin, DTC and ESL Coordinator**

- Facilitates local and state assessment
- Coordinate security and confidentiality training for state assessment
- Conducts LPAC processes and support of ESL students
- Support 4545 Intervention Program
- Support RTI progress monitoring
- Coordinate Gifted and Talented screening process
- Maintain and share reporting for state and local assessment

**Ryan Jordan, Special Education Support and PE**

- All Special Education ARDs and ARD paperwork
- K-6 push-in SPED support for all four campuses
- Facilitate IEP updates, documentation, and scheduled services for new and current SPED students with teachers, paras, and lead teachers
- Complete Fitnessgram assessments of all 3-6 students in spring

**Karla O’Keeffe, Educational Technology Specialist**

- Campus technology support for all students and staff
- Rostering students and Reporting for digital licenses
- Oversee competition robotics teams at Brighton, Cypress Trails, and Greengate
- Assist implementation of secure online state assessment
- Manage district website and district social media accounts

**Robin Miller, Remote Interventionist**

- Coordinate remote instruction for K-6 students that quarantine due to COVID-19.
- Execute RTI and 4545 interventions and ESL support for K-6 students at all four campuses
- Support RTI and LPAC processes
- Assist with Gifted and Talented screening
