**\*Please note** the college level MATH and MATH N0 sections displayed in the chart above are linked. This means in order for students to be able to register for their corequisite MATH 1332 classes, they will need to register for specific sections of MATH 1332 and MATH N032 that are shown to be linked together in the table above. For example, MATH 1332 section 81 is linked to MATH N032 section 01.

**\*Please note** the college level MATH and MATH N0 sections displayed in the chart above are linked. This means in order for students to be able to register for their corequisite MATH 1342 classes, they will need to register for specific sections of MATH 1342 and MATH N042 that are shown to be linked together in the table above. For example, MATH 1342 section 81 is linked to MATH N042 section 01.

**\*Please note** the college level MATH and MATH N0 sections displayed in the chart above are linked. This means in order for students to be able to register for their corequisite MATH 1384 classes, they will need to register for specific sections of MATH 1384 and MATH N084 that are shown to be linked together in the table above. For example, MATH 1384 section 81 is linked to MATH N084 section 01.

## Math Non-Algebraic – Limited Support

In addition to our full support developmental work, we also offer a limited support type for students who meet certain criteria as noted in the table below. This support type also has reserved section numbers of their College Level Math, sections 60-79, but only has one corequisite support course that pairs with all College Level Math sections.
