1. Approval of Minutes from November 11th. The minutes were modified and approved.
2. Big Six/Prerequisites. The Big Six prerequisites, as implemented within Banner, have created some unintended consequences that made it difficult for non-majors to enroll in business courses. To alleviate these issues, the Big Six courses will be hard coded as prerequisites for specific courses. Students will still be advised that the Big Six is required before they will be allowed to take upper level business courses. The chairs were asked to review the prerequisites for their courses and make any changes necessary to the prerequisite tree on the t-drive. Once everyone has reviewed and made changes to the prerequisite tree, it will be emailed to Maria Busby.
3. Budget.
 - a. Departmental expenditures. Each chair was asked to turn in a report by March 1st on how they allocated their funds. At that time, the chairs will need to forecast their needs for the remainder of the fiscal year. If there is any money left over, it will be reallocated. The Provost's Office will be looking at college fund balances.
 - b. HEAF funds. COBA received \$92,000 in HEAF funds this year, a decrease from last year's total of \$175,000. IT@SAM will be responsible for some expenses that previously were covered by HEAF funds. Fawzi is going to look at our IT requests and prioritize them and share the results with the Leadership Team.

7. Building Needs.
